

# HOW TO MAINTAIN YOUR FRIDGE OR FREEZER SEAL

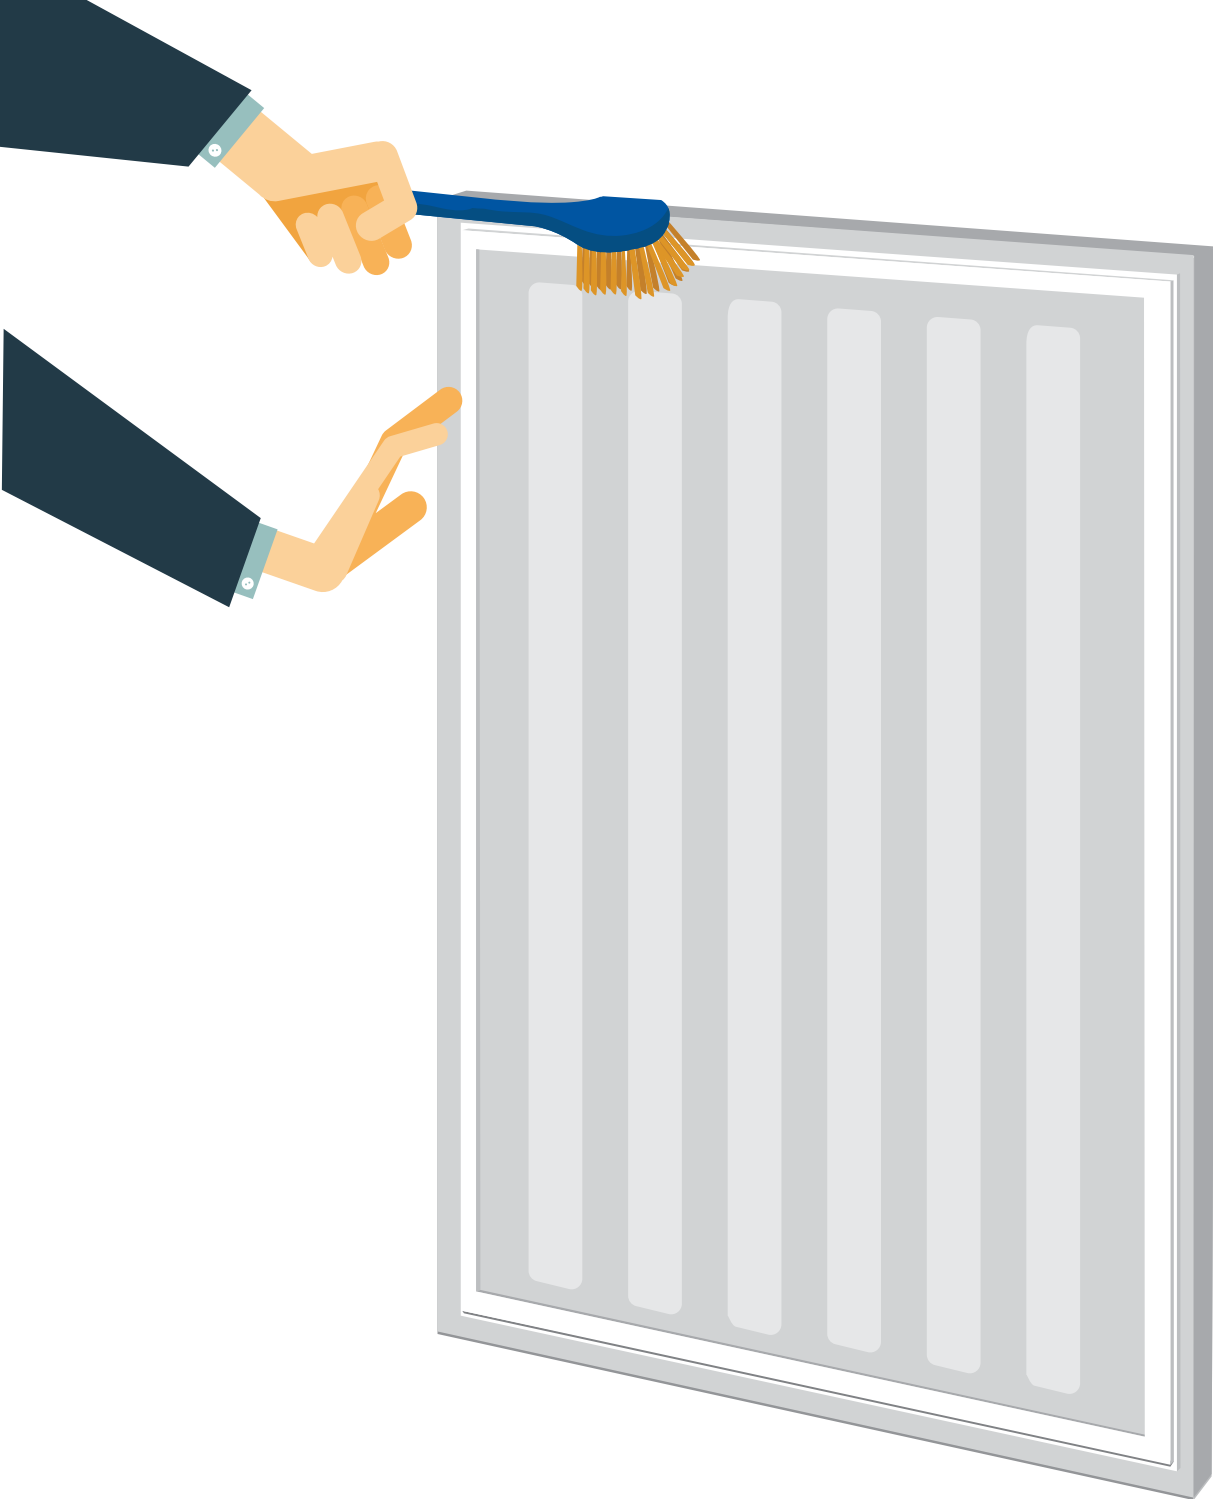

**Fridge Seals**  
**Direct** [.co.uk](http://fridge-seals-direct.co.uk)

## CLEAN DOOR SEAL DAILY TO EXTEND LIFE OF SEAL

- ✓ Proper cleaning will ensure no fat or dirt will get a chance to destroy the material
- ✓ Cleaning regular will improve kitchen and hygiene safety
- ✓ Use a professional fridge seal cleaner or warm soapy water, any other product will damage the PVC material and reduce the life of the seal

## CLEAN ALL VISIBLE DIRT

- Remove any visible dirt crumbs etc with a soft brush
- Apply professional fridge seal cleaner
- Wait 30 sec and remove with soft cloth including between folds

# WE HOPE THAT HELPED!
